Established in 2010, Shiv Shakti Group (SSG) has become the very definition of success. Defining and changing life style of thousands of people, SSG as a trusted builder based in Jaipur, Rajasthan, India is among the leading Realty and Infrastructure Developers. It is a highly reputed professionally managed organization that has gained national recognition through its remarkable work in the fields of residential and commercial construction, and has become a renowned name in the construction industry in the last few years. The Group has a track record of sustained growth, customer satisfaction, innovation, and is recognized for its knowledge, quality, passion, transparency, flexibility, integrity and commitment towards its valuable investors, shareholders and customers.

SSG PROJECTS

Shankra Residency, Jaipur: Shankra Residency is a very exclusive and extremely impressive residential society, which is located at the Omaxe City, Ajmer Road Jaipur. It is highly admired and is a perfect blend of all the requisites for an excellent and relaxed modern life. With its ultra modern technique and contemporary style, it underlines comfort and stress-free living as a reflection of the customers' much desired qualities in a dream home.

Manned by highly qualified professionals and equipped with the latest technology, every apartment has an individual space uniquely designed to suit sundry and special needs of a modern lifestyle. Theme-based landscaping, high-tech amphitheatre, basketball court and the sprawling party lawn give a diverse orientation to the entire exterior space.

Shivraj Residency, Jaipur: Shivraj residency, Jaipur consists of tremendous residential apartments awarded as 'Asia's Best Real Estate Property To Look Out For' in the category of Mid-range Condominiums. Alive with a vibrant life and an enviable location, it gives you an almost leisurely flow. Lavishly designed to suit the taste of the upwardly mobile, it has a clubhouse

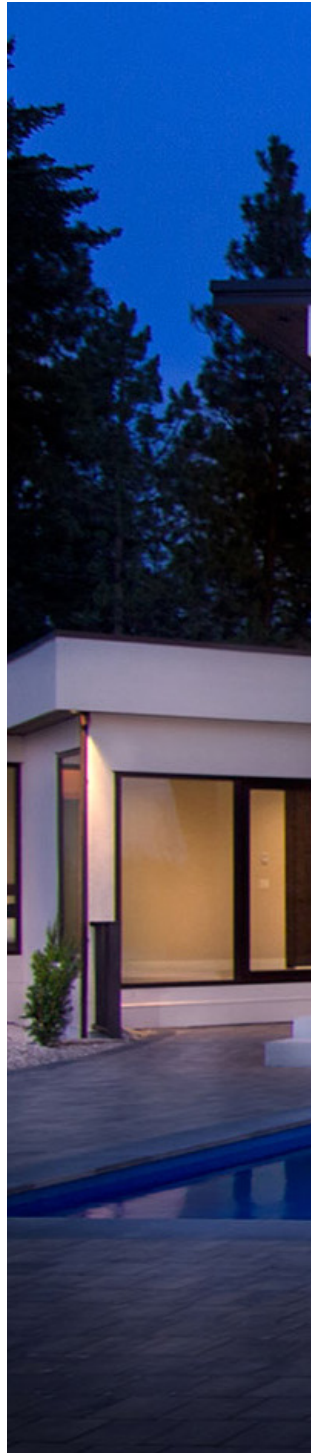

with a swimming pool, a fitness centre and a lounge as an integral part of the community. Different eco-friendly measures are also being incorporated into the project as per green guidelines.

The Elegant Entrance Lobby is designed to enhance the excellent things of life, while ensuring the smooth passage of routine necessities, thus altogether presenting a Home that is perfect in every aspect and is equipped with every comfort we desire.

Shivalika Residency, Jaipur: Shivalika Residency's unconventional layouts are crafted to perfection for the discerning few. It is a home you would feel proud to call your own - everything is carefully thought out to give you an unparalleled living experience. Large windows, an innovative use of tiles and smart interior design make this house above the ordinary.

Shivanta Mansion: Shivanta Mansion is a unique blend of aesthetic, quality construction and impeccable planning. These G+2 BHK Floors have a mix of modern living and exquisite elegance. Every floor has abundant light and cross-ventilation in the living room, bedrooms and kitchen as they face open landscaped greens, exclusive 27 floors on the very front of Omaxe greens meadow city on Alwar Highway.

Shivaz Galleria, Neemrana: Shivaz Galleria is a mixed-use development project that has been carefully designed and crafted by SSG. It is a venture that puts you in the centre of a life that bestows you with multiple living. In addition, it consists of state-of-the-art retail arcade, ultra-modish serviced packed with in-house indulgence, an entertainment zone with a two screen multiplex and leading-edge office space, which enable you to lead a complete passionate lifestyle. Shivaz Galleria is your gateway to a world far ahead of its time.
